

## Turtles Daily Activities | 9:00 AM – 12:30 PM\*

### MONDAY

Choice Time | Circle Time | Snack | Playground | Animals | Cooking | Lunch

### TUESDAY

Choice Time | Circle Time | Snack | Cooking | Playground | Lunch | Animals

### WEDNESDAY

Choice Time | Circle Time | Snack | Playground | Animals | Art | Lunch

### THURSDAY

Choice Time | Circle Time | Snack | Playground | Art | Music | Animals | Lunch

### FRIDAY

Choice Time | Circle Time | Snack | Playground | Art | Music | Animals | Lunch

**Animals** | Art Farm educators will bring live animals to the classrooms for an animal science lesson. The children will have the opportunity to hold and pet the animals as well. A couple times a week the students also get to visit the petting zoo as well.

**Art** | Campers will create themed arts and crafts projects to take home. We will use many different mediums and explore creativity with all types of hands on activities.

**Cooking** | During cooking the children will learn to measure, cook and stir with our very own chef! All of the lessons are vegetarian, and encourage healthy eating choices. Campers will take their goodies home to enjoy and share!

**Lunch** | Campers can choose to bring in a nut-free lunch from home. Snacks are provided.

**Music** | Music teachers will lead the campers in a music class with live guitar, instruments, singing, dancing and more!

**Playground** | Our campers will visit the Asphalt Green playground everyday (weather permitting.) Our 3 year old campers will also do the sprinklers several times throughout the summer as well. Our teachers will notify the teachers when they will be going to the sprinklers so campers can be prepared.

**Choice Time** | During this time campers will get to explore the toys in our classroom and participate in child directed process art activities.

**Circle Time** | Our teachers will lead circle time activities in the morning and before pick up. During this time we will talk about our weekly theme, introduce our friends and teachers, sing songs and reflect on our day.

**\*Our full-day 3-year-old campers will finish their afternoon with story, nap/rest, art, early literacy, math, and science activities.**
